REPLACEMENT OF SOUTH DALE AND LOCUST BRIDGES

ADDENDUM #1

June 13, 2022

THRASHER PROJECT #101-030-10409

TO WHOM IT MAY CONCERN:

A Pre-Bid Conference was held on Tuesday, June 7, 2022 on the above-referenced project, a copy of the sign in sheet is included in this Addendum. The following are clarifications and responses to questions posed by contractors for the above reference project.

A. GENERAL

1. Contractors will not be required to pay the City's B&O tax for this project.

B. SPECIFICATIONS

n/a

C. DRAWINGS

n/a

D. QUESTIONS AND RESPONSES

QUESTION

1. Are we to try and keep the sidewalk intact, what happens if due to excavation of the abutment the sidewalk cannot be kept.

RESPONSE

The goal is to minimize any disturbance outside of the bridge project. However, it does appear that a section of sidewalk will be impacted by the abutment construction. Therefore, bidders shall include the cost of removing and replacing 10 feet long by 5 foot wide of concrete sidewalk in their bid items for clear and grubbing and earthwork lump sum bid items.

QUESTION

2. Are we to assume any handrail to be put back on the sidewalk.

RESPONSE

No.

QUESTION

3. What is the expected mounting method for the guard rail on the bridge deck?

RESPONSE

The goal is to mount the guardrail on the side of the prestressed precast concrete plank beams per detail sheet 010, Type "1A" Anchor Detail.

QUESTION

4. To install the flared end sections a longer section of radius will be needed, will this footage be incidental to the footage shown?

RESPONSE

The end treatment shall be only a terminal section buffer end. A flared end section will not be used.

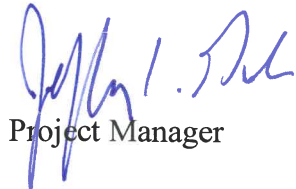

E. CLARIFICATIONS

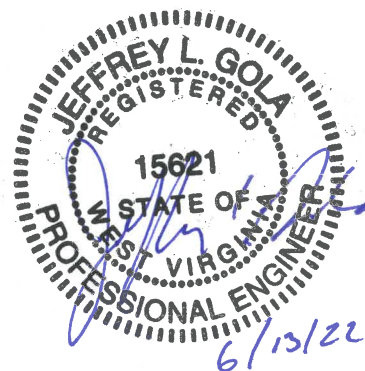

n/a

If you have any questions or comments, please feel free to contact me at your earliest convenience. As a reminder, bids will be received until 2:00 p.m. on Thursday, June 16, 2022 at the City of Salem on 229 W. Main Street, Salem, WV 26426. Good luck to everyone and thank you for your interest in the project.

Sincerely,

THE THRASHER GROUP, INC.
