

**CITY OF CLARKSBURG
HARRISON COUNTY, WEST VIRGINIA
LIBERTY AVE. SLIP REPAIR**

ADDENDUM #2

April 6, 2023

THRASHER PROJECT #T30-11184

TO WHOM IT MAY CONCERN:

A Pre-Bid Conference was held on Tuesday, March 28, 2023, for the Liberty Ave. Slip Repair project. The following are clarifications and responses to questions posed by contractors for the above reference project.

A. GENERAL

1. **THE BID FORM HAS BEEN REVISED. YOU MUST USE THE REVISED BID FORM WHEN PREPARING YOUR BID PACKAGE FOR THIS PROJECT.**

B. SPECIFICATIONS

N/A

C. DRAWINGS

1. Revised sheet 3 – Wall Site Plan: included drainage inlet and pipe and illustrated second wall on Liberty Ave as an Additive Alternate.

D. QUESTIONS AND RESPONSES

QUESTION

1. Is there a dedicated and/or recommended access to get to the Winding Way slip repair?

RESPONSE

No, there is not a dedicated route. However, the City has performed other work in the area and will assist the contractor with any access through the city streets.

E. CLARIFICATIONS

1. The second proposed pile wall (Station 10+18 to 11+14) will be taken out of the base bid and will be considered an Additive Alternate #1.
2. The proposed pile wall on Winding Way will be an Additive Alternate #2. The Additive Alternate #2 for Winding Way will include items for Mobilization, Test Bore, Steel Pile and Concrete Lagging Wall, and Guardrail installation. In lieu of doing core drillings, we are requesting the contractor to drill at least one hole to determine the depth of rock to verify our assumptions for the length and size of piles. For bidding purposes, the contractor shall assume the same pile size and depth as the Liberty Ave. Mobilization

may include the mobilization for test bore and possible remobilization for the work depending on material availability.

3. The item for guardrail replacement will not require new guardrail. The item shall include removing and resetting existing guardrail on Liberty Ave.
4. The cost of removing, tying into existing drainage inlet, and street trench repair shall be incidental to the bid items for the Type B inlet and pipe.

If you have any questions or comments, please feel free to contact me at your earliest convenience. As a reminder, bids will be received until **11:00 a.m. on Thursday, April 13, 2023**, at the **222 W. Main Street, Clarksburg, WV 26301**. Good luck to everyone and thank you for your interest in the project.

Sincerely,

THE THRASHER GROUP, INC.
