TO WHOM IT MAY CONCERN:

The following modification applies to the above-referenced project.

A. QUESTIONS AND RESPONSES

QUESTION

The following question was submitted pursuant to Article 7.02 of the "Instructions to Bidders for Construction Contract" as follows: "We would like to request that Generac [SD500] be listed as an acceptable MFG for this project... Generac is being replaced and Generac will meet all specific size and functional equivalents of the generator being replaced as well."

RESPONSE

The Generac SD500 meets the size and functional equivalents of the generator being replaced and is a comparable product under Part 2.1A of Section 263213.13, "Diesel-Engine-Drive Generator Sets."

If you have any questions or comments, please feel free to contact me at your earliest convenience by emailing me at gdavis@thethrashergroup.com. As a reminder, bids will be received until 1:15 p.m. on Thursday, June 8, 2023, at the Twin City WWTP located at 1580 Boyd St, Uhrichsville, OH 44683. Good luck to everyone and thank you for your interest in the project.
