Whether it is a historical renovation, health care design, tenant fit-out or a brand-new facility, Thrasher can help design your project from concept to completion. We are looking for an Architectural Designer/Draftsman to support our team in our Charleston, West Virginia, office location.

Essential duties & responsibilities include, but are not limited to:

- Design and draft using Revit and other applications to bring the concept and idea of the project stakeholders of both new construction and renovation.
- Produce high quality deliverables for clients at all stages of the design process.
- Gain an understanding of building systems, codes, and construction methods.
- Produce architectural/interior design work on projects and assist in the preparation of construction documents on assigned projects.
- Assist with design calculations, quantities, review technical specifications and design estimates.

Qualifications:

- Bachelor's degree in architecture, or related field. Masters degree is preferred.
- 1 – 3 years of industry experience
- Proficient with Revit and Lumion or similar 3D modeling software.
- Possess strong time management and communication skills.
- Possess the ability to work independent and collaboratively.

Thrasher provides an excellent benefit package which includes health, dental and vision insurance, company paid short- and long-term disability, 401K matching, paid parental leave, life insurance, paid-time off, tuition assistance and much more.

An emphasis is placed on professional development which includes structured goal setting and specialized training opportunities. Professional development is monitored and recognized bonuses and annual salary reviews.
