**Job Title:** Resident Project Representative, Water Resources

**Location:** Various – WV, Southeast OH, Southwest PA

**Type:** Full-Time

The Thrasher Group, Inc. is a full-service architecture, engineering, and field services consulting firm with a rich resume of project success all throughout the Mid-Atlantic region. Our team of skilled experts delivers a vast array of professional services to clients across five major markets: architecture, land development, water resources, transportation, and energy.

We are looking for a Resident Project Representative (RPR), Water Resources in various locations throughout West Virginia, Southeast Ohio, and Southwest Pennsylvania. As an RPR, you'll play a crucial role in overseeing and ensuring the successful implantation of water-related projects. Your responsibilities will span various aspects of construction, documentation, quality assurance, and communication. If you're a professional who likes a fast-paced environment, check out the job duties below.

In this role, you will be asked to:

- Participate in on-site activities, collaborating with residents, property owners, and contractors.
- Monitor construction progress, adherence to plans, and compliance with specifications.
- Keep detailed records of project quantities, daily reports, and changes.
- Maintain accurate redline or as-built drawings to document project modifications.
- Monitor work to prevent construction defects.
- Ensure that the project meets quality standards and specifications.
- Facilitate effective communication between project stakeholders, including owners, engineers, and contractors.
- Coordinate information flow to keep all parties informed.
- Travel as needed to project sites. Travel may involve extended stays away from your home location during the week.

Qualifications may include:

- 3-5 years of relevant experience
- OSHA 10, CPR, and first aid certifications are highly desirable.
- Experience as a treatment plant operator and certifications (Class 3 and up) in water treatment plants is advantageous.
