Received by the Greenbrier Public Service District #2

Envelope No. 2 labeled “Bid Proposal” shall also be placed inside of Envelope #1.

Envelope No. 1 will be opened first and the Bid Opening Requirement items checked for compliance as outlined on the Bid Opening Checklist on page BOR - 1 of these contract documents. If such documents are found to be in order, Envelope No. 2 “Bid Proposal”, will then be opened and will be publicly read aloud. If the documents required to be contained in Envelope No. 1 are not in order, Envelope No. 2 “Bid Proposal” will not be opened and the Bid will be considered non-responsive and will be returned to the Bidder.

“DBE REQUIREMENTS”

Each Bidder must fully comply with the requirements, terms, and conditions as set forth in the contract documents to achieve Disadvantaged Business Enterprise (DBE) participation during the performance of this contract. The bidder commits itself to the program for DBE participation and all other requirements, terms, and conditions of the bid conditions by submitting a properly signed bid.

The bidder agrees to make “good faith efforts” to sub-contract a portion of the total value of the contract to disadvantaged businesses. This shall be done in compliance with the six (6) affirmative steps as outlined in 40 CFR 31.36(e). Failure to demonstrate positive efforts to do so may lead to rejection of bids. For the purpose of this program, the term “subcontractor” includes all construction, modification, and service work contracted for by the bidder in the execution of the work under this contract.

A bidder may not withdraw his bid for a period of ninety (90) days after the date set for the opening of bids.

Bids shall be accompanied by a certified check or bid bond payable to Greenbrier Public Service District #2 in an amount equal to five percent (5%) of the base bid.

Nondiscrimination in Employment - Bidders on this work will be required to comply with the President's Executive Order Number 11246 and the provisions of Executive Order No. 10925 as included therein. The requirements for bidders and contractors under this order are explained in the specifications.

Notice of Federal Wage Requirements – Contractors are required to comply with all laws pertaining to federal wage rates as issued in accordance with the Davis Bacon act. The contractor will be required to pay the federal wage rates appropriate for each worker classification.

Drug Free Workplace - West Virginia Code 21-1D-5 provides that any solicitation for a public improvement construction contract requires each vendor that submits a bid for the work to submit at the same time an affidavit of compliance with the bid. The enclosed drug-free workplace affidavit must be signed and submitted in the first envelope as evidence of the vendor's compliance with the provisions of Article 1D, Chapter 21 of the West Virginia code. Failure to submit the signed drug-free workplace affidavit in the first envelope shall result in disqualification of such bid.

All Bidders are required to have a West Virginia Contractor's License per Section §30-42-12 of the West Virginia Code.

Bids received after the scheduled closing time for the reception of bids will be returned unopened to the bidders.

The Greenbrier Public Service District #2 reserves the right to reject any and all bids.

Pre-bid Conference

A non-mandatory pre-bid conference for the Project will be held on **Thursday, July 25, 2024, at 10:00 a.m.** at **Greenbrier Public Service District #2, 222 Bill Johnson Drive, Rainelle, WV 25962.**

Instructions to Bidders.

For all further requirements regarding bid submittal, qualifications, procedures, and contract award, refer to the Instructions to Bidders that are included in the Bidding Documents.

American Iron and Steel

Section 746 of Title VII of the Consolidated Appropriations Act of 2017 (Division A - Agriculture, Rural Development, Food and Drug Administration, and Related Agencies Appropriations Act, 2017) and subsequent statutes mandating domestic preference applies an American Iron and Steel requirement to this project. All iron and steel products used in this project must be produced in the United States. The term "iron and steel products" means the following products made primarily of iron or steel: lined or unlined pipes and fittings, manhole covers and other municipal castings, hydrants, tanks, flanges, pipe clamps and restraints, valves, structural steel, reinforced precast concrete, and Construction Materials.

**The following waivers apply to this Contract:
De Minimis, Build American By American, Minor Components,
Pig iron and direct reduced iron.**
