

**BENEDUM AIRPORT AUTHORITY  
HARRISON COUNTY, WEST VIRGINIA  
UPDATE PAVEMENT MARKINGS**

**ADDENDUM #1**

**June 12, 2025  
THRASHER PROJECT # T80-11385**

TO WHOM IT MAY CONCERN:

The following are clarifications and responses to questions posed by contractors for the above-referenced project.

**A. QUESTIONS AND RESPONSES**

**1. QUESTION**

Are the red boxes included in the remarking of runway/taxiway holding markings and ILS markings?

**RESPONSE**

Yes, the red boxes included in the holding markings and ILS markings must be included in the price per square foot for pavement markings.

**2. QUESTION**

It is noted that the runway edge lines are incorrectly marked and will need laid out from centerline. What will the dimension be to the inside of the edge line from the centerline? If there is not enough runway width to accommodate a three-foot edge line at isolated locations, what will be done?

**RESPONSE**

The inside of edge line from outside of centerline should be 70.5'. We asked that prior to marking its verified if 70.5' can be achieved if it cannot then we will make any necessary field adjustments at that time.

**3. QUESTION**

Is water available on site for the cleaning process?

**RESPONSE**

Yes, there is a hydrant off of WV 279 that can be used by the Contractor.

**4. QUESTION**

Is rotary grinding allowed on the grooved runway surfaces for the marking removal?

**RESPONSE**

Yes, rotary grinding will be allowed however Contractor should minimize damage to the pavement surface.

**5. QUESTION**

Will any vegetative overgrowth on the runway edges be removed by others prior to this project starting? This overgrowth can limit the availability of the three-foot width for the painted edge lines.

**RESPONSE**

The Owner will remove vegetative overgrowth on the runway edges prior to the project starting.

If you have any questions or comments, please feel free to contact me at your earliest convenience. As a reminder, bids will be received until **2:00 p.m. on Monday, June 23, 2025**, at Benedum Airport Authority, 2000 Aviation Way, Bridgeport, WV. Good luck to everyone and thank you for your interest in the project.

Sincerely,

THE THRASHER GROUP, INC.

NICOLE JONES, PE, PMP  
Project Manager
